

MADDIE ARNOLD

WEEKEND UPDATE

12/6/17

CAST

COLIN JOST

MICHAEL CHE

OTS: Nabih al-Wahsh

COLIN

After stating that women who wear ripped jeans should be raped as punishment, Egyptian lawyer Nabih al-Wahsh has been sentenced to three years in prison. That sucks.

OTS: Brock Turner

COLIN

But hey, Brock Turner's already out of jail, so his lawyer could probably help out!

OTS: Orchid

MICHAEL

A rare orchid from the Ogasawaras island chain south of Tokyo, that was thought to be extinct, is blooming again after 80 years.

The orchid thought it was dodging a bullet by sleeping during WWII and all the other bad stuff.

OTS: Trump

MICHAEL

But then it woke up again and was like "MAAAAAN!"

OTS: Fossilized eggs

COLIN

Paleontologists discover the mother-lode: two-hundred-fifteen

(MORE)

COLIN (CONT'D)
miraculously well-preserved
pterosaur eggs. "They're onto
us..." said the dinosaurs in
witness protection.

OTS: Dinosaur with disguise

OTS: EU vs Turkey

MICHAEL
Amid strained ties, the European
Union has reduced Turkey's
pre-accession funds in the 2018
budget.

OTS: Turkey (animal)

MICHAEL
And just in time for thanksgiving!

OTS: Vaccine needle

COLIN
A vaccine for HIV is about to be
tested in thousands of people.
Scientists say the first dose
primes the immune system while the
second dose boosts the body's
response. And the third dose, you
ask? Just a lil bit of Magic.
(wink)

OTS: Magic Johnson

OTS: Mariana Trench

MICHAEL
Scientists have now found that
plastic is polluting marine life
found 36,000 ft below the earth's
surface. Researchers have even
discovered plastic in the deepest
part of the ocean, the Mariana
Trench. There are species that
haven't even been discovered yet in
the Mariana Trench, but somehow our
PLASTIC is down there polluting
those species???? Nah. Do better.

OTS: Suite interior

COLIN

Emirates Airline has announced the new specifics of their private suites, which now include virtual windows and a "zero-gravity" seat. Or, for the frugal among us, just buy a private jet.

OTS: Jet interior

OTS: Automated Weapon

MICHAEL

The United Nations is considering a possible ban on "killer robots."
CONSIDERING?

END.
