

TEACHERS - DRAFT 9/18/17

FADE IN:

INT. CLASSROOM - DAY

We see the dad from "HOT DAD" at the front of the room in a fireman's uniform. He looks hot. The kids are seated in front of him. MARY-LOUISE is nearby.

HOT DAD

...but being a fireman can also be very scary. Does anyone know how hot the flames can get?

We hear the kids start guessing temperatures.

Cut to: Mary-Louise

MARY-LOUISE

(Whispering sexually)

So. Hot.

Cut back to Hot Dad

HOT DAD

Oooo, so close! The flames can actually reach up to 300 degrees fahrenheit!

We hear the kids' exclamations

HOT DAD (CONT'D)

But lucky for me, I have this HUGE hose to extinguish the flames and keep me safe.

Cut to: Mary-Louise. She is trying to control herself.

HOT DAD (CONT'D)

Now, who wants to hold my huge hose?

The kids start to say "me, me, me!"

Cut to: Mary-Louise. She raises her hand timidly and then slaps it down immediately with her other hand.

MARY-LOUISE

(Whispering)

No. Not now. Not here.

Her jaw is wide open. She has to cover her mouth with her hand.

(CONTINUED)

Cut back to Hot Dad.

HOT DAD  
Yeah, look how long it is! This is  
one long hose.

Cut to: Mary-Louise. Both hands are on her desk. She's using  
it for support. Her body is weak.

Cut back to: Hot Dad. He has been oblivious to her this  
whole time.

HOT DAD (CONT'D)  
Hey, Ms. Bennigan! Come over here  
and get in on the action. How long  
do you think my hose is?

She starts giggling, is bashful.

MARY-LOUISE  
YOU HAVE TO LEAVE NOW.

Cut to: Children, surprised and confused.

Cut to: Hot Dad, surprised and confused.

Cut to: Other parents, confused and weirded out.

Cut to: Mary-Louise, panting, crazy eyes.

BLACKOUT.
